Class : UG 2nd Year

SIG Duration : 40 hours

Resource Person : Mr. Gaurav Katariya

Objectives:

1. To provide students with an in-depth understanding of technical and fundamental analysis of stocks.
2. To train students in using technical software for analyzing stock market trends.
3. To enable participants to make informed investment decisions based on data-driven insights.
4. To develop practical skills in financial analysis and market prediction.

Course Outcomes:

1. Students gained comprehensive knowledge of stock market analysis combining technical and fundamental approaches.
2. Participants learned to utilize technical software effectively for stock evaluation.
3. Students developed the ability to interpret market data and trends for informed decision-making.
4. Enhanced understanding of financial markets, empowering students to pursue investment-related opportunities.

Enrollment Details:

- **Number of Students Enrolled: 63**
- **Number of Students Completing the Course: 52**

The SIG on Techno-Funda Analysis of Stocks successfully achieved its objectives. The interactive sessions, led by Mr. Gaurav Katariya, provided students with practical exposure and valuable insights into stock market analysis. Participants appreciated the hands-on approach and the relevance of the content to real-world financial applications.

SIG Completion Report : Python Fundamentals

Class : UG 3rd Year

SIG Duration : 40 hours

Resource Person : Mr. Vivek Gupta

Objectives:

1. To provide students with a strong foundation in Python programming.
2. To develop problem-solving and logical thinking skills using Python.
3. To introduce essential Python libraries for real-world applications.
4. To enable students to write efficient and error-free Python code.

Course Outcomes:

1. Students gained proficiency in Python syntax, data types, and control structures.
2. Participants developed the ability to create Python programs for solving basic and intermediate problems.
3. Students were introduced to libraries like NumPy and Pandas, enhancing their programming capabilities.
4. The course fostered analytical thinking and coding efficiency among students, preparing them for advanced programming challenges.

Enrollment Details:

- Number of Students Enrolled: 96
- Number of Students Completing the Course: 80

The SIG on Python Fundamentals successfully met its objectives, equipping students with the essential skills required for Python programming. The sessions, led by Mr. Vivek Gupta, were interactive and practice-oriented, enabling participants to apply theoretical knowledge in practical scenarios. The feedback received was positive, with students appreciating the clarity and depth of the training.

SIG Completion Report : Advance Excel

Class : MBA 1st Year

SIG Duration : 40 hours

Resource Person : Mr. Hanish Kukreja

Objectives:

1. To provide students with advanced skills in Microsoft Excel for business and data analysis.
2. To enable participants to effectively use Excel tools for decision-making and problem-solving.
3. To introduce students to advanced functions, data visualization, and automation through macros.
4. To enhance students' efficiency in handling and analyzing large datasets.

Course Outcomes:

1. Students gained expertise in advanced Excel functions such as VLOOKUP, HLOOKUP, Pivot Tables, and Conditional Formatting.
2. Participants learned to create and interpret data visualizations using charts and graphs.
3. Students developed the ability to automate repetitive tasks using Excel macros.
4. Enhanced proficiency in data management and analysis, preparing students for professional roles requiring advanced Excel skills.

Enrollment Details:

- **Number of Students Enrolled:** 126
- **Number of Students Completing the Course:** 102

The SIG on **Advanced Excel** was highly successful, providing students with practical knowledge and hands-on experience in Excel. The sessions, conducted by Mr. Hanish Kukreja, were interactive and application-focused, helping students improve their technical competence in data analysis. Participants expressed positive feedback, highlighting the relevance of the training to their academic and professional aspirations.
