## Introduction

The increasing use of ICT enabled tools in education enhances the effectiveness of teaching-learning process. At IIMR, teachers use variety of ICT tools to integrate knowledge, content pedagogy and technology. Having access to vast digital repositories enables teachers to diversify their teaching materials and cater to various learning styles, making lessons more engaging and accessible. Similarly students have access to e-library, online journals, databases and ebooks. They are encouraged for certifications through MOOC, NPTEL etc.

Teachers interact with students via email, WhatsApp, virtual classrooms, LMS and video conferencing, fostering a dynamic and responsive learning environment. This facilitates peer-to-peer interaction and collective problem-solving. Teachers use online quizzes and online assignments for assessment and evaluation.

All our classrooms, seminar halls, conference room, auditoriums are equipped with LCD projectors, screens and green/white board.

Along with the chalk and talk method, teachers use PPTs, videos, virtual trading platforms and business simulations for providing interactive learning to students. Certificate programs such as Basic Excel, Advance Excel, SPSS, Stock Market provides computing skills to students.

We at IIMR, provides best of ICT facilities to equip students for this digital age.

ICT facilities used by teachers for effective teaching and learning are:

1. 17 ICT enabled classrooms with projectors, screens, Wi Fi, Webcam, Portable Speakers and LMS.
