ISO 50001 : 2018 (Energy and Environment) Audit Report

Indore Institute of Management & Research (IIMR)
ISO 50001 External Audit Report
Date of Audit: 22nd March 2024

Executive Summary:

The ISO 50001 External Audit conducted at the Indore Institute of Management & Research (IIMR) on 22nd March 2024 affirmed the institute's commitment to effective energy management practices. The audit aimed to assess IIMR's conformity with ISO 50001 standards, focusing on energy performance improvement, energy efficiency, and sustainability initiatives. The audit identified one minor non-conformities related to MSDS not displayed in the Diesel Storage Area. However, overall, IIMR demonstrated strong adherence to ISO 50001 requirements and showcased a culture of continuous improvement in energy management.

ISO 50001 External Audit Report

Date of Audit: 22nd March 2024

Introduction:

The assessment of Indore Institute of Management & Research (IIMR) Energy Management System (EnMS) against ISO 50001 standards took place on 22nd March 2024. This audit aimed to gauge the institute's adherence to the established ISO 50001 criteria.

The ensuing ISO 50001 Audit Report offers an overview of the evaluation conducted at IIMR and presents the findings and recommendations stemming from this assessment. It serves to illuminate the institute's compliance with ISO 50001 standards pertaining to Energy Management Systems (EnMS).

The audit at IIMR sought to appraise the efficacy of its energy management system in alignment with ISO 50001 guidelines. ISO 50001 stands as a globally recognized standard designed to furnish organizations with a structured framework for instituting, implementing, sustaining, and refining energy management systems. Adhering to ISO 50001 empowers organizations like IIMR to bolster energy performance, curtail energy expenditures, and mitigate environmental ramifications.

Background of IIMR

Indore Institute of Science and Technology (IIMR) is a premier engineering college located in Indore, Madhya Pradesh. IIMR is renowned for its academic excellence and commitment to holistic student development. Offering undergraduate and postgraduate programs in various Management & Research disciplines, IIMR aims to foster innovation, sustainability, and industry relevance.

Purpose of ISO 50001 Audit

The primary purpose of the ISO 50001 Audit at IIMR is to evaluate the institute's energy management practices and assess compliance with ISO 50001 standards. By conducting this audit, IIMR seeks to identify areas of improvement, enhance energy efficiency, and reduce environmental impact.

Indore Institute of Management & Research (IIMR)

ISO 50001 External Audit Report

Date of Audit: 22nd March 2024

Audit Team:

The audit team comprised seasoned auditors with specialized expertise in energy management systems and ISO 50001 standards. Their collective experience and proficiency facilitated a comprehensive examination of the institute's energy management practices and processes. The members of the audit team were:

1. Mr. Y.S. Chaudhary
2. Mr. Ashish Sharma
3. Mr. Anshuman Singh

Acknowledgment:

We extend our heartfelt appreciation to all stakeholders who played a crucial role in the ISO 50001 audit process at IIMR College. This significant achievement stands as a testament to the collaborative efforts of the management, faculty, staff, and students who generously contributed their knowledge, dedication, and support throughout the audit endeavour. Without their invaluable contributions, this accomplishment would not have been possible.

Indore Institute of Management & Research (IIMR)

ISO 50001 External Audit Report

Date of Audit: 22nd March 2024

Audit Scope:

The scope of the ISO 50001 Audit conducted at IIMR encompasses a comprehensive evaluation of all facets of energy management within the Institute's operations. This includes:

- Energy Policy Development and Implementation: Assessing the formulation, deployment, and execution of the institute's energy policy, along with the establishment of objectives, targets, and action plans for effective energy management.
- Energy Consumption Analysis and Review: Analyzing the patterns, trends, and distribution of energy consumption across various departments, facilities, and processes within the institute to identify areas of inefficiency and opportunities for improvement.
- Identification of Energy Performance Indicators: Identifying and scrutinizing the energy performance indicators utilized by IIMR to gauge and measure energy efficiency, consumption, and conservation efforts.
- Implementation of Operational Controls for Energy Efficiency: Evaluating the implementation and efficacy of operational controls, protocols, and measures aimed at optimizing energy efficiency and minimizing wastage across operational activities.
- Monitoring, Measurement, and Analysis of Energy Performance: Reviewing the methodologies, systems, and protocols employed by IIMR for the continuous monitoring, measurement, and analysis of energy performance data to track progress and identify deviations from targets.
- Management Review of Energy Management Practices: Examining the frequency, depth, and outcomes of management reviews conducted to assess the effectiveness of energy management practices, identify improvement opportunities, and allocate resources accordingly.
- Continual Improvement of the Energy Management System: Assessing the mechanisms, processes, and initiatives in place for the continual enhancement and refinement of the Energy Management System to adapt to changing organizational needs, technological advancements, and regulatory requirements.

Key Areas of Focus:

1. **Energy Policy and Planning:** Evaluating the clarity, relevance, and alignment of IIMR's energy policy, objectives, targets, and action plans with organizational goals and regulatory requirements.
2. **Energy Performance:** Analyzing the efficiency, effectiveness, and impact of energy consumption reduction measures, energy-saving initiatives, and energy performance improvement programs implemented by IIMR.
3. **Energy Monitoring and Measurement:** Reviewing the accuracy, reliability, and comprehensiveness of energy monitoring systems, data collection methodologies, and analysis techniques employed by IIMR to track and manage energy consumption.
4. **Energy Controls and Operational Procedures:** Assessing the adequacy, effectiveness, and adherence to energy-saving protocols, operational controls, and best practices across all operational activities within IIMR.

Indore Institute of Management & Research (IIMR)
ISO 50001 External Audit Report
Date of Audit: 22nd March 2024

Methodology

The methodology employed for the ISO 50001 Audit at IIMR adhered to a structured and systematic approach in accordance with ISO 50001 standards. The audit process encompassed the following key components:

- 1. Review of Documentation:** Comprehensive scrutiny of documentation pertaining to IIMR's Energy Management System (EnMS) was conducted to evaluate its alignment with ISO 50001 standards.
- 2. On-site Inspections:** Physical inspections were carried out on-site to assess energy management practices firsthand and identify areas warranting improvement. This involved examining energy-related infrastructure, equipment, and operational procedures across various departments and facilities within the institute.
- 3. Interviews:** In-depth interviews were conducted with key personnel responsible for energy management at different organizational levels. These interviews provided valuable insights into the implementation, monitoring, and effectiveness of energy management practices within IIMR.
- 4. Data Analysis:** Thorough analysis of energy consumption data and performance indicators was undertaken to gauge the institute's energy performance and identify trends, anomalies, and areas of potential improvement.
- 5. Comparison with ISO 50001 Requirements:** The observed energy management practices and procedures at IIMR were systematically compared against the requirements stipulated in ISO 50001 standards. This comparative analysis facilitated the identification of areas of compliance as well as non-conformities, guiding subsequent recommendations for enhancement.

By employing this comprehensive methodology, the ISO 50001 Audit at IIMR ensured a thorough evaluation of the institute's Energy Management System and provided valuable insights for optimizing energy efficiency and sustainability practices.

Indore Institute of Management & Research (IIMR)

ISO 50001 External Audit Report

Date of Audit: 22nd March 2024

Audit Findings and Recommendations:

The ISO 50001 External Audit conducted at Indore Institute of Science and Technology (IIMR) on 22nd March 2024 aimed to evaluate the institute's Energy Management System (EnMS) against ISO 50001 standards. This report summarizes the audit findings and provides recommendations for improvement.

Strengths:

1. **Commitment to Energy Management:** IIMR displayed a strong dedication to energy management, evidenced by allocated resources and initiatives focused on reducing energy consumption and enhancing efficiency.
2. **Energy Monitoring and Measurement:** The institute had robust systems in place for monitoring and measuring energy usage across its various departments and facilities.
3. **Employee Engagement:** Employees demonstrated a high level of awareness and participation in energy conservation endeavors, fostering a culture of energy efficiency within IIMR.

Audit Findings and Recommendations:

a. Energy Management System (EnMS):

- **Finding:** IIMR has established an EnMS in accordance with ISO 50001 standards.
- **Recommendation:** Continuously improve and refine the EnMS to ensure effectiveness and alignment with organizational goals.

b. Energy Policy and Objectives:

- **Finding:** IIMR has developed and implemented a clear energy policy with defined objectives and targets.
- **Recommendation:** Regularly review and update the energy policy to reflect evolving organizational needs and priorities.

c. Energy Review and Analysis:

- **Finding:** Regular energy reviews and analyses are conducted at IIMR to identify areas of significant energy consumption.
- **Recommendation:** Enhance the depth and scope of energy reviews to capture all pertinent data and trends effectively.

d. Energy Performance Indicators (EnPIs):

- **Finding:** EnPIs have been established to monitor and measure energy performance.

Indore Institute of Management & Research

Affiliated to - DAVV (Indore) & Approved by - AICTE (New Delhi)

Indore Institute of Management & Research (IIMR)

ISO 50001 External Audit Report

Date of Audit 22nd March 2024

- Recommendation: Expand the range of EnPIs to provide a comprehensive view of energy performance across the organization.

e. Operational Controls:

- Finding: Operational controls are in place to ensure efficient energy consumption and management.

- Recommendation: Strengthen operational controls to address specific areas of energy inefficiency identified during the audit.

f. Monitoring and Measurement:

- Finding: Regular monitoring and measurement of energy consumption and performance are conducted.

- Recommendation: Implement advanced monitoring and measurement techniques to enhance data accuracy and reliability.

g. Management Review:

- Finding: Periodic management reviews of the EnMS are conducted to assess performance and identify improvement opportunities.

- Recommendation: Enhance the frequency and depth of management reviews to foster greater accountability and engagement.

h. Continual Improvement:

- Finding: IIMR demonstrates a commitment to continual improvement of its EnMS and energy performance.

- Recommendation: Foster a culture of innovation and excellence to drive ongoing improvement initiatives.

Recommendations for Sustainable Practices and Environmental Awareness:

1. Adopt Renewable Energy Sources: Integrate solar or wind power to reduce reliance on conventional energy.

2. Implement Energy-Efficient Practices: Upgrade lighting, HVAC systems, etc., to minimize energy consumption.

Indore Institute of Management & Research (IIMR)
ISO 50001 External Audit Report
Date of Audit: 22nd March 2024

3. **Promote Energy Conservation Practices:** Conduct awareness campaigns to educate stakeholders on energy conservation.
4. **Enhance Waste Management Practices:** Implement recycling programs and waste reduction strategies.
5. **Integrate Environmental Education into Curriculum:** Incorporate sustainability topics into academic programs.
6. **Establish Energy Management Team:** Form a dedicated team to oversee energy-saving initiatives.
7. **Conduct Regular Energy Audits:** Track energy consumption trends and identify inefficiencies.
8. **Invest in Energy-Efficient Infrastructure:** Retrofit buildings with energy-efficient technologies.
9. **Engage Stakeholders:** Involve stakeholders in energy conservation efforts.
10. **Monitor and Report Progress:** Establish KPIs to measure progress and report findings regularly.

Minor non-conformities:

1. **Preventive Maintenance Plan not available for Solar Plant**
- Recommendation: Display PM Plan for Solar Plant and give training to the staff for cleaning and maintenance of solar plant management and improve safety

CONTENTS

- Introduction 1
- Scope 2
- Audit Findings..... 3
- Conclusion 4
- Opportunities for Improvement..... 5
- Recommendations..... 6

1. Introduction:

The purpose of this external audit was to evaluate the effectiveness of the Quality Management System (QMS) implemented by Institute in accordance with ISO 9001:2015 & ISO 14001:2015 & ISO 1:001:2015 requirements. The audit was conducted in accordance with the audit plan and scope agreed upon with the management team.

2. Scope

The audit covered the following areas:

- Quality policy and objectives
- Management review
- Documentation control
- Control of records
- Internal audit
- Corrective and preventive actions
- Training and competence
- Communication
- Customer satisfaction

3. Audit Findings

Based on the audit conducted, the following observations were made:

- The quality policy and objectives are clearly defined and communicated to all relevant stakeholders. The objectives are aligned with the organization's strategic objectives and are reviewed periodically to ensure their effectiveness.
- The management review process is well-established and includes the review of relevant quality data and information. The documentation of management review meetings is detailed and includes key decisions and actions.
- The documentation control process is effective in ensuring the control of documents and records. The identification and traceability of documents and records are properly maintained to ensure their proper control and retrieval.
- The internal audit process is well-established and includes the review of all relevant areas. The reporting of audit findings is detailed and includes the identification of non-conformities and opportunities for improvement.

- The corrective and preventive action process is effective in addressing non-conformities and implementing corrective and preventive actions. The timeliness of corrective and preventive actions is properly monitored and implemented.
 - The training and competence process is well-established and includes the identification of training needs and the provision of training. The documentation of training records is complete and accurate.
 - The communication process is effective in ensuring the communication of relevant information to all relevant stakeholders. The documentation of communication is properly recorded and tracked.
 - The customer satisfaction process is effective in ensuring the satisfaction of customers. The documentation of customer feedback is properly captured and addressed.
4. **Conclusion.** Based on the findings of the audit, it can be concluded that the QMS implemented by Institute is effective in meeting the requirements of ISO 9001:2015 & ISO 14001:2015 & ISO 45001:2018. The organization has demonstrated a strong commitment to continuous improvement and has implemented processes to monitor and measure the effectiveness of its QMS. There are no major non-conformities identified during the audit, and the organization is recommended for certification.
5. **Opportunities for Improvement** Based on the audit findings, the following opportunities for improvement have been identified:
- The organization could consider incorporating a risk management process into its QMS to identify and mitigate risks that may impact the achievement of its objectives.
 - The organization could consider implementing a process to measure and monitor the effectiveness of its supplier management process to ensure the quality of products and services received from suppliers.

- The organization could consider conducting regular surveys or feedback sessions with students to gather their feedback and identify areas for improvement in the quality of education and services provided.
- 6. **Recommendations** Based on the audit findings and opportunities for improvement, the following recommendations are made:
 - The organization should continue to monitor and improve its QMS to ensure its ongoing effectiveness and compliance with ISO 9001:2015 & ISO 14001:2015 requirements.
 - The organization should consider implementing the opportunities for improvement identified during the audit to further enhance its QMS and achieve greater customer satisfaction.
 - The organization should consider engaging an external consultant to provide guidance on implementing a risk management process and improving supplier management.
- 7. **Corrective Actions During the audit**, minor non-conformities were identified, which were immediately addressed by the organization. The corrective actions implemented by the organization were found to be effective in addressing the root cause of the non-conformities.
- 8. **Follow-up Audit** The organization is required to conduct a follow-up audit within six months of the audit to ensure that the corrective actions have been implemented and are effective in addressing the identified non-conformities.
- 9. **Conclusion:** The external audit conducted on Institute has found that the organization's QMS is effective in meeting the requirements of ISO 9001:2015 & ISO 14001:2015. The organization has demonstrated a strong commitment to quality and continuous improvement. The audit report provides the organization with opportunities for improvement, which should be considered to enhance its QMS and achieve greater customer satisfaction. The organization is

Indore Institute of Management & Research
Affiliated to - DAVV(Indore) & Approved by - AICTE(New Delhi)

recommended for ISO 9001:2015 & ISO 14001:2015 certification, subject to the satisfactory outcome of the follow-up audit.

Auditor's Signature

I certify that the findings of this audit have been documented in this report accurately and objectively, in accordance with ISO 9001:2015 & ISO 14001:2015 requirements and the audit program. This report has been reviewed and approved by the lead auditor.

Non-Conformance Report

Date: 22-Mar-2024 Audit Reference Number: IQL/MAR24-256-22-63-02

1. Non-Conformance Details

Non-Conformance Title: Irregularity in Classroom Schedule

Non-Conformance ID: IIMR-2024-NC-01

2. Non-Conformance Description

During the audit conducted on 22-Mar-2024 it was identified that the Institute has irregularities in the classroom schedule, which is a non-conformance to the ISO 9001:2015 & ISO 14001:2015 requirements. The classroom schedule is not being maintained in accordance with the documented procedures and is causing confusion among students and faculty members.

3. Evidence

The following evidence was obtained during the audit:

- The classroom schedule was reviewed and found to be incomplete and not updated as per the documented procedures.
- Some classes were being cancelled without prior notice to students and faculty members, leading to confusion and disruption of the teaching schedule.
- The classroom schedule was not being communicated effectively to all concerned parties, leading to misunderstandings and scheduling conflicts.

4. Root Cause Analysis

The root cause of the non-conformance is the lack of monitoring and supervision of the classroom scheduling process by the management, and the lack of effective communication with concerned parties.

5. Corrective and Preventive Actions

The following corrective and preventive actions have been recommended to address the non-conformance:

- Develop and implement a monitoring and supervision process to ensure that the classroom schedule is maintained in accordance with the documented procedures and requirements.
- Establish a communication protocol for the classroom schedule, including timely communication of any changes to concerned parties.
- Conduct training sessions for faculty members and students on the classroom scheduling process and their respective responsibilities in maintaining the schedule.

6. Follow-up Actions

A follow-up audit will be conducted to ensure that the corrective and preventive actions have been implemented and are effective in addressing the identified non-conformance.

7. Conclusion

The non-conformance identified during the audit poses a risk to the effectiveness of the QMS of Institute. The recommended corrective and preventive actions should be implemented to address the non-conformance and improve the classroom scheduling process. The organization is required to provide evidence of the implementation of the corrective and preventive actions during the follow-up audit.

Moklai and Narlai Gram Visit

INDORE INSTITUTE OF MANAGEMENT AND RESEARCH "Moklay & Narlay Gram Visit"

Report

Academic Year: 2023-2024

Date of Event: 25th August, 2023

Time: 10.00 A.M. -5.00 P.M.

Venue: Moklay Gram & Narlay Gram

Faculty Coordinator: Dr.Vinayak Khare, Dr. Shubhangi Jain, Dr. Asha Mishra

Our NSS Volunteers & teachers visited adopted village Moklay and also visited Narlay on 25th August 2023. During visit they spread awareness for Voting in village. Students explained to villagers about the importance of their one vote & use of their constitutional civilian right. Dr.Vinayak Khare, Dr. Shubhangi Jain, Dr. Asha Mishra and Dr. Sukhdev Bhamariya Dean Sports coordinated the whole visit of the village. Our students team also spread the message of cleanliness and green environment under the banner of "Meri Maa Meri Desh" among the villagers. In this students learned a lot of about village life and living style. In routine life villagers use environmental things like for brush in the morning they used to take the Neem stick. A total of 65 students participated in this visit.

स्वच्छता अभियान

“ स्वच्छांजलि एवं व्याख्यान आधुनिक परिवेश में गाँधी की प्रासंगिकता ”

रिपोर्ट

शैक्षणिक सत्र: 2023-24

दिनांक: 02/10/23 रविवार

समय: 10:45 प्रातः से 1.30 बजे तक

स्थान: आय आय एस टी ऑडिटरियम

शिक्षक समन्वयक: डॉ. विशाल गीते

मुख्य वक्ता: डॉ. पुष्पेंद्र दुबे

गांधी जयंती राष्ट्रपिता को श्रद्धांजलि देने, उनकी महान उपलब्धियों को स्वीकार करने और अहिंसा, सत्य और शांति के उनके सिद्धांतों को आगे बढ़ाने का अवसर है। यह दिन स्वच्छता और सफाई पर जोर देने के लिए प्रसिद्ध है। महात्मा गांधी स्वच्छता के प्रबल समर्थक थे और उन्हें लगता था कि यह व्यक्तिगत और सामाजिक कल्याण दोनों के लिए महत्वपूर्ण है। स्वच्छ और स्वच्छ भारत के गांधी के सपने ने स्वच्छ भारत अभियान (स्वच्छ भारत मिशन) को प्रेरित किया, जिसे हाल के वर्षों में शुरू किया गया था। इस वर्ष, प्रधानमंत्री नरेंद्र मोदी ने भी भारत के नागरिकों से एक तारीख, एक घंटा, एक साथ अभियान के तहत श्रमदान करने का आग्रह किया है।

आय आय एस टी ग्रुप में भी राष्ट्रपिता महात्मा गांधी की जयंती (वर्ष दो हजार तेवीस में) स्वच्छता ही सेवा के रूप में मनाई गई। व्याख्यानमाला, स्वच्छता शपथ एवं स्वच्छता अभियान का आयोजन डॉ. पुष्पेंद्र दुबे, प्रोफेसर एवं हेड महाराजा रणजीत सिंह कॉलेज इंदौर के नेतृत्व में किया गया। उन्होंने अपने उद्बोधन में कहा की स्वच्छता हगारा लक्ष्य ही नहीं होना चाहिए बल्कि यह हमारे राष्ट्र की आत्मा का अंश होना चाहिए। कार्यक्रम में राष्ट्रीय सेवा योजना के छात्र-छात्राओं एवं महाविद्यालय के अधिकारी एवं कर्मचारियों ने सहभागिता की। इस मौके पर विद्यार्थियों और स्टाफ सदस्यों ने बड़-चढ़कर हिस्सा लेकर अपने परिसर को साफ-सुथरा बनाया।

Swachhata Abhiyan
 "Swachhanjali and Lecture on the Relevance of Gandhi in the Modern Context"

Report

Academic Session 2023-24

Date: 02/10/23, Sunday

Time: 10:45 AM to 1:30 PM

Venue: IIST Auditorium

Teacher Coordinator: Dr. Vishal Goel

Chief Speaker: Dr. Puspendra Dubey

Gandhi Jayanti is an occasion to pay tribute to the Father of the Nation, acknowledge his great achievements, and promote his principles of non-violence, truth, and peace. This day is also renowned for emphasizing cleanliness and hygiene. Mahatma Gandhi was a staunch advocate of cleanliness, believing it to be essential for both personal and societal well-being. Gandhi's dream of a clean and healthy India inspired the Swachh Bharat Abhiyan (Clean India Mission), which was launched in recent years. This year, Prime Minister Narendra Modi has also urged Indian citizens to participate in a collective effort to dedicate one day and one hour for contributing towards cleanliness.

At IIST Group, the birth anniversary of the Father of the Nation, Mahatma Gandhi, was celebrated in the year 2023 under the theme of "Swachhata Hi Sewa" (Cleanliness is Service). A lecture series, cleanliness oath, and cleanliness campaign were organized under the leadership of Dr. Puspendra Dubey, Professor and Head of Maharaja Sayajirao Sangli College, Indore. In his address, he emphasized that cleanliness should not only be our goal but also an essential part of the soul of our nation. The event was attended by the students of the National Service Scheme (NSS) and college officials.

"Meri Maati Mera Desh - Amrit Kalash Yatra" Report

Academic Session: 2023-2024

Date: October 10, 2023

Time: 9:50 AM to 11:30 AM

Venue: Indore Institute of Management and Research, Rau, Indore

Organizer: National Service Scheme (NSS) Unit

Principal Guests: Dr. Vishal Geete (Principal), Dr. Vaibhav Modak (Program Officer)

On October 30, 2023, the National Service Scheme (NSS) unit of the Indore Institute of Management and Research, Rau, Indore, organized the "Meri Maati Mera Desh" Amrit Kalash Yatra under the campaign celebrating the nation and its soil.

The program commenced with the inauguration of the Amrit Kalash Yatra by the college's Principal, Dr. Vishal Geete, and Program Officer, Dr. Vaibhav Modak.

Participants brought soil and four grains from their homes as a symbol of unity and environmental preservation. Together, they took a pledge to contribute to environmental protection and actively participated in creating the Amrit Kalash as a tribute to the nation.

Dr. Vaibhav Modak explained the purpose and significance of the "Meri Maati Mera Desh" campaign to the students, emphasizing its role in fostering a sense of belonging and environmental awareness.

A total of 85 students and 11 teachers participated in the program, making it a successful and meaningful event dedicated to national pride and sustainability.

National Pollution Control Day, 2nd December 2023

INDORE INSTITUTE OF MANAGEMENT AND RESEARCH

National Pollution Control Day

An innovative Public Awareness Drive

Dt 2nd ~~November~~ 2023 (Saturday)
December

Objective:- To pay homage to the victims of Bhopal gas tragedy and sensitize general public about the harms of various pollutions and thus learn from our past mistake

National Pollution Control Day is observed in memory of those who lost their lives in the Bhopal Gas tragedy on 2nd December 1984. The day aims to bring awareness about the fatalities caused due to polluted water, land, and air. The primary goal of our event was to observe National Pollution Control Day by leveraging the power of social media platforms to raise awareness about environmental issues and encourage individuals to adopt sustainable practices. The day being a non-academic day, the entire event was conducted by the students from the comfort of their home and sensitizing people in their nearby communities.

The students used social media handles of Facebook and Instagram to further spread the word of awareness. To enhance the reach and engagement of our campaign, we created and promoted specific hashtags like #NationalPollutionControlDay and #IIMR. Users were encouraged to share their thoughts, experiences, and tips for pollution control using these hashtags. Leveraging the reach of social media influencers in the environmental and sustainability space, some students even collaborated with influencers to share informative content and promote the campaign. This significantly increased our visibility among diverse audiences. The winners were declared on the basis of maximum shares and likes of the posts.

The winner was Harshita Kasliwal with a maximum shares on Facebook and Instagram as well as collaboration.

Earth Day, 22nd April 2024

INDORE INSTITUTE OF MANAGEMENT AND RESEARCH

"EARTH DAY"

Report

Academic Year: 2023-24

Date of Event: 22/04/24

Time: 10:45 A.M. to 11.30 A.M.

Venue: IIMR UG Wing, Opposite Library Area

Faculty Coordinator: Dr. Vaibhav Modak

Under the Green Wave Movement Club, On 54th Earth Day Monday, April 22, 2024, IIMR celebrated the Earth Day. All the Faculty Members, Non-Teaching Staff & Students have taken oath to save environment and protect natural resources. we believe that we are stewards of nature, plants, and our lands and that the individual responsibility lies with each of us. Our planet needs our help to thrive. Earth Day activities can range from river cleanups to removals of invasive plants.

On this occasion Principal Dr. Aradhana Chouksey Madam motivated the students & provided tips to save environment. She also discussed with the students that how we can contribute to reduce climate change and protect our natural resources by making small changes that make a big difference. Students should seriously think about it and they can take initiative by their own. On this occasion Dr. Vishal Puramik Sir, Principal, Oxford International College is also presented.

Dr. Vaibhav Modak NSS Program Officer has coordinated the entire program.
