## Alumni Feedback (Academic year 2019-2020)

The academic year 2019-2020, ended with the outbreak of Covid-19 and the shutting down of the Institute for administrative and academic activities. This led to a lesser number of students who were able to come to the Institute for their Transfer Certificates and related formalities, to adhere to safety measures. However, a few of the students applied for the same and submitted their alumni feedback when they came to the Institute Campus during Government relaxation days. A total of 28 students submitted their feedback. The summary of the same is as under-
