## Action Taken Report

### Knowledge of the Students

1. Focus will be laid on the Presentation skills and Group Discussions of the Students. Faculties will incorporate more sessions of Presentations in the Next Academic Session.
2. CDC was instructed to conduct more concentrated sessions of Aptitude and Group Discussion
3. Subject knowledge to be enhanced in the next academic session through incorporating technology and pedagogies
4. Effective SIGs to be planned in the next session
5. More relevant mock interviews to be conducted by training and placement cell to improve on Interview Skills

### Effectiveness of Course

1. Emphasis to be laid on the competency building of the students through practical exposure in Projects, MRPs and Fieldwork
2. The content of the courses will be connected with the live Industry case studies and exposures in the next academic session
3. Since most of the employers were not satisfied with the relevance of the titles, in the next academic session, the SIGs will be more focussed on Industry 4.2 topics and relevant tools to address the gap
