Action Taken Report on Teachers Feedback on Curriculum

2021-2022

Areas of Teachers Curriculum Feedback	Action Taken Report
Syllabus is contemporary and need based.	With the introduction of NEP, and change in syllabus, faculties will be teaching as per new syllabus and the contents
The depth of the course content is adequate to have significant learning outcomes	Next academic session course content will be a focussed and improved combination of content-technology-pedagogy
Sufficient number of prescribed books on the syllabi are available in the library	More updated books will be purchased. Faculties will visit the library and list out their requirements of books. The Library Incharge will purchase the books as per the process and keep the library updated
Sufficient reference material and related books and other resources are available for the topics mentioned in the syllabus in the library	The Library Incharge will references and related books as per the requirement and process and keep the library updated
The pre-requisite courses are appropriate for this course	Sensitize students with the courses at the beginning of the session. Also, the faculties will be attending workshops and seminars to upgrade themselves
The students attain the POs, COs and PSOs satisfactorily	To continue with the assessments as per POs and COs and all the internal assessment parameters to be included
There is an ample scope to adopt new techniques of teaching such as seminar, presentations, group discussions, projects, etc	More effective presentations and GDs will be conducted in the next academic session. Focus was laid on conducting the same during the lectures
The course/syllabus has a good balance between theory and Laboratory-work	It was decided to improve and integrate classes with ICT Tools.
