Action Taken Report on Teachers Feedback on Curriculum

2019-2020

Areas of Teachers Curriculum Feedback	Action Taken Report
Syllabus is contemporary and need based.	In next Academic Session, SIGs should be planned in a way that complements the syllabus
The depth of the course content is adequate to have significant learning outcomes	To enhance the depth of the course, more case studies and experiential learning methods should be used
Sufficient number of prescribed books on the syllabi are available in the library	Faculties will visit the library and list out their requirements of books. The Library Incharge will purchase the books as per the process and keep the library updated
Sufficient reference material and related books and other resources are available for the topics mentioned in the syllabus in the library	The Library Incharge will references and related books as per the requirement and process and keep the library updated
The pre-requisite courses are appropriate for this course	Students will be trained from the coming session onwards and will be sensitized with the courses at the beginning of the session. Also, the faculties will be attending workshops and seminars to arm themselves
The students attain the POs, COs and PSOs satisfactorily	The assessments will be done as per POs and COs and all the internal assessment parameters will be included
There is an ample scope to adopt new techniques of teaching such as seminar, presentations, group discussions, projects, etc	More effective presentations and GDs will be conducted in the next academic session. Focus was laid on conducting the same during the lectures
The course/syllabus has a good balance between theory and Laboratory-work	It was decided to conduct the classes with ICT Tools
