

Indore Institute of Management and Research

Action Taken Report on Teachers Feedback on Curriculum

1. Contemporary and need based syllabus- Being an affiliate Institute the teachers must comply to the syllabus prescribed
2. The depth of the course – To enhance the depth of the syllabus faculties will adopt SIGs in the next academic session
3. Prescribed books in the library- Faculties will fill the book requisition form to raise the requirement of books
4. Reference material and related books and other resources in the library- Faculties will list out the reference needed in library to be procured
5. The pre-requisite courses are appropriate for this course- The gap will be addressed through trainings
6. The students attain the POs, COs and PSOs satisfactorily- In next academic session, more emphasis to be given to practical learning methods.
7. Scope to adopt new techniques – students will be educated towards the use of technology in their academic activities
8. Balance between theory and Laboratory-work- To maintain the same, faculties will assign presentations and case studies in their classes in the next academic session
9. Knowledge and perspective in the subject area- Faculties will be attending trainings, workshops and FDPs to enhance their knowledge
