

## ACTION TAKEN REPORT EMPLOYERS FEEDBACK

2023-24

### Knowledge of the Students

1. The emphasis will once again be on the students' presentation skills and group discussions. Instructors will integrate more dependable and effective presentation sessions.
2. A more focused session on aptitude and group discussions.
3. The next session will focus on improving subject knowledge through supplementary learning beyond the textbook.
4. Industry-focused SIGs will be organized in the upcoming session.
5. Extensive session of Mock Interview will be conducted.
6. Briefing and Debriefing before and after campus placement will be done.

### Effectiveness of the Course

1. Field projects, Major Research projects will be focus area.
2. Course content delivery will be aligned with industry practices.
